## President's Message

Dear Patriots,

In the year of our lord, June 20th 2012, isn't much different than July 4th, 1776. On that day we came together as a new nation. I hate to compare the fight for our freedom over tyranny to our beloved Lions Club but there are slight similarities between the two.

Trying to keep cohesion, trying to keep everyone's interest in the ideals, trying to envision the good that will be done if we can unite together for the greater good of our community.

It was truly a misfortunate thing that I missed the induction ceremony of that night. I ask everyone if they can to please join us at our next meeting. So that I may speak with everyone about what my vision is for the upcoming year. Until that day, have a blessed and safe July 4th holiday.

Sincerely Yours in Lionism,  
William Craig Bowers

Here is the link to photos from the June 23 tournament.....I have also attached a copy of the news alert I sent to local papers.....sometimes they feel generous and on a slow day they might print a photo....Hanover sun usually prints all three..the sausages and meatballs finished the tournament with great games featuring big league points...the interest for next tournament on august 4 was very positive so I ask everyone to set that date and get your application in now.....thanks to all for PARKING BETWEEN THE LINES.....see you in august.

The first bocce tournament for 2012 was played on Saturday June 23 under beautiful summer skies and the outcome was between two of our favorite Italian foods; Meatballs and Sausages. The tournament was the first to be held on two courts and 17 teams were the most in the three years the tournaments have been held. All of the games were fun to watch and several teams finished with more wins than they had ever won before. The quality of play was very much improved, and featured a four point play by the Gins Barbershop team that had all four point balls within 6 inches of the Pallino.

But the highlight of the tournament was the final two games, under the lights, between the Sausages, in the winner's bracket playing the Meatballs from the loser's bracket. The Meatballs had to win 2 games to be champions and in first game, they defeated the Sausages, forcing a final game for 1st place. The game went right to the end with both teams tied and needing one point to win. Points were made but each team would reverse the point with each ball. The last ball won the game for the Sausages.

The tournament earned more than \$850 for Charlottes Quest nature center in Manchester. The second tournament for the season is scheduled for August 4, 2012.

Also...my bocce list has become a national disaster with several i don't recognize and others that have not responded in the past, and sadly, many that have no interest in bocce whatsoever and wish they could stop getting junk.....if this is you, then please reply with an appropriate, and civil, answer....thanks

Vince

~ Spring Athletes Receive ODAC Sportsmanship Award

**FOREST, Va.** --- The Old Dominion Athletic Conference is pleased to announce the 2012 ODAC/StellarOne Sportsmanship Teams in each of 10 spring sports sponsored by the conference. This marks the third year the league has recognized these fine student-athletes for their excellence in sportsmanship.

Nine Bridgewater student-athletes received the honor including Devon Snow (baseball), Summer Ramsey (softball), Julius Delbridge (men's track), Olivia Mills (women's track), Evan Stack (men's tennis), Olivia Stone (women's tennis), Megan Bach (women's lacrosse), John Phillips (men's golf) and Tara Deckel (equestrian).

"I am pleased that the conference recognizes student-athletes for their focus on fair play and sportsmanship," explained ODAC Commissioner Brad Bankston. "The conference prides itself on positive sportsmanship and encouraging student-athletes to lead by example. Each one of the honorees has been selected by the coaches in recognition of their conduct in the arena. My hat is off to these student-athletes - thanking them for the example they set for all of us."

The ODAC has a rich tradition in promoting fair play and good sportsmanship in each sport across the league. The character of the conference's student-athletes on and off the field is a representation of not only the individuals and teams, but also the institutions they play for.

"All of us at StellarOne Bank are excited to be an official corporate sponsor, touching the lives of so many in the Old Dominion Athletic Conference," said Angela Ross, Chief Branding Officer for StellarOne.

### **Good Morning**

Author Unknown

Every morning in Africa,  
A gazelle wakes up.  
It knows that it must run faster  
Than the fastest lion or it will be killed.  
Every morning a lion wakes up.  
It knows that it must outrun the slowest gazelle  
Or it will starve to death.  
It doesn't matter  
Whether you are  
A lion or a gazelle...

When the sun comes up, you had better be running!
