## President's Message

I hope that everyone had a happy and safe Memorial Day weekend. Our club was busy with two big events, the Memorial Scholarship Walk and the opening of the pool. The walk was well attended and once again the weather was beautiful. The sun and above average temperatures this past weekend lead to a very busy pool opening. There was a lot of excitement at the pool and everyone was glad to be back in summer mode. Lions, this is our pool, please stop up during the day and introduce yourself to staff and patrons, this is a great way to check the progress of the pool and to promote the Lineboro-Manchester Lions Club.

Please keep the Hampstead Lions Club in your thoughts and prayers, they have had a difficult year and have lost yet another outstanding Lion, Lion Dick Murray. Dick was one of the most productive Lions I have ever met; there was nothing that he wouldn't do for the Hampstead Lions Club. He was a fine example for all of us.

Lastly, I would like to thank each of you for all of your support over this past year and I want you to know that the success of our club is because of **you** and all of **your** hard work. As we transition to a new year and a new Board of Directors and President please continue your support and willingness to serve our community.

Pres Lion Joe

## **JUNE...JUNE...JUNE...JUNE**

This is for June, and all the summers it brings  
Wind chasing bells.....of a Church steeple ring  
Olde songs of wedlock....over top hat, and lace  
'Fore June passes torch....to July's scarlet face

Tree's are full jacket's.....of multi-hue green  
The last pink magnolia leaf.....still can be seen  
There's a breeze in the air, that carries a scent  
Of her sweet honeysuckle....fresh efflorescence

Still, nights cast a chill, but June has its motive  
An inviting warm flame, bright amorous votive  
Moonlite romance...'neath a nautic June breeze  
Make love in June sparkle like starshine on sea

Frank James Ryan, Jr.

### **Just for Laughs**

I was in Starbucks recently when I realized I suddenly had bad gas.  
The music was really loud so I timed my fart with the beat of the music.

After a couple of songs I started to feel better.

I finished my coffee and noticed that everyone was staring at me...

And suddenly I remembered I was listening to my iPod

...and how is your day, so far?

Ps. this is what happens when old people start using technology
