### President's Message

Fellow Lineboro Manchester Lions,

It is important and proper that we remember and support the many members who have been affected in the past few months with major health and physical difficulties. Cindy, Anita, Terry, Christy and several more have recently, or will be, burdened with hospital or rehabilitation demands. In addition, the loss of Phil Millers wife, Chuck Millers brother and Fran Bach's mom should not be forgotten.

I want to thank the large number of Lions, friends, and relatives that helped make the first recent Spaghetti Dinner such a success. The response from the community, since this was our first attempt, was much greater than expected. We planned for 100 or less, but Steve, and later Roger, were sent to resupply for the more than 140 that were eventually served. My original expectation was to learn, because of the arrangement in the school facilities, how we would handle the need to maintain two kitchens and the needs of a serving line. From what I have been told, [I was present in body but questionable in mind] all problems were overcome by the pride of Lineboro/Manchester Lions.

The success of this fund raiser highlights the need to increase our efforts to gain new members. The chairperson, and the greatest number of volunteers, were recent new members.

At the suggestion of a member, I am developing a survey form to be completed by each volunteer that helps in every fund raiser or community project. It will gather information of all the items each volunteer brought, donated, loaned and the food bought or donated for the event. It will also ask for each volunteer to state their comments and suggestions. Please see attachment.

Wishing good health to all  
President Vince
