### President's Message

Greetings to Lions of Lineboro/Manchester,

We were all saddened to learn of the loss of the mother of lion Fran. The entire family has our condolences and we offer our support for the future.

It was an eventful month of October for the Lineboro-Manchester Lions, our newest member, Guy Garey, was installed by DG Robert Mitchell during our charter night. It was a celebration of 70 years, not including the previous seven years as the Manchester Lions Club that cancelled its charter in 1941.

I made a visit, as the new Lions President, to the Manchester Town Council, and it was very informative. My visit, the following day, with town administrator, Steve Miller and finance director, Kelly Baldwin was even more fruitful. We were able to discuss our relationship with the town and the fire company. It was important that they understand that the Lions Club, and the pool, are a critical part of the community.

It was encouraging to have five members agree to form a new committee to pursue grants for the club. In addition, huge progress was made at the first meeting of the building committee. Many options are possible and decisions will be made in the future.

**WE SERVE!**
