## President's Message

Thanks to everyone who participated in our crab feast fundraiser. Whether you sold tickets, bought tickets, baked a dessert, set up the hall and prepared food, or helped deliver crabs to the hungry people we could not have done it without you. Once again the crab feast finished in the black. The money raised will help us to continue our work throughout the community and beyond. For those of you who were unable to help or attend the event I wanted to let you know that we were able to extend our Lion service beyond Manchester.

Carl and Anna's son-in-law was at the feast and he relayed a story of sadness and determination of a town in PA. This town suffered great damage from the floods. To help those in need, our club and some of the people in attendance made monetary donations for their community. Several people donated household items and clothes for the people in this small town, if you have anything that you would like to donate please give Anna or Carl a call and they can see that it gets in the right hands.

Sincerely,  
Lion Joe
