President's Message

November proved to be a busy and productive month for the Lineboro/Manchester Lions. A visit from Audrey Cimino, of the Carroll County Community Foundation, allowed us to develop a "purpose statement" that will be used to initiate our personal request to donors for funds to improve our pool and the Lions Club Park.

Our first Quarter Mania was successful with a large "pride" of lions to volunteer.

Several lions were present to help complete the "Hailey's Wish" playground in Manchester.

The highlight of the month was a visit by four members to the Wilmer Eye Clinic at Johns Hopkins. Lions should be proud to support and be a part of this outstanding program of low vision research and education provided at the clinic. As a club, we will fully support this program for citizens affected by low vision and also develop a low vision rehabilitation network 'Lovernet' for patients with low vision.

My wife, Pat and I wish a safe and healthy holiday season to all members and their families and hope to see many of them at our Christmas Party.

- Please let Lion Bill Fisher know if you will be attending the meetings the Sunday before, so that we have enough desserts/dinner for everyone.
