President's Message

Hello Fellow Lion's,

Another month of doing good things for the community is upon us. August 5th is the Special Olympics Pool Party, come to the pool and you will love seeing the joy on the faces of all that take part. I can promise it is not something you will soon forget! Also on August 15th let's bring our Lion families together and enjoy each other's company, eating lots of food and cake while talking about the past and looking forward to the future.

I have heard a lot lately about our club and other organizations continuing on long after its current members are gone. But that's not true, without the help from all Lions Club members; we will cease to exist in no time. Believe me, I am trying to raise two young girls it's not easy. But we all must dig deep for the club and community.

Sincerely Yours in Lionism,
William Craig Bowers

Hot off the Press

- ❖ The club turned in 316 volunteer hours that were reported to Lions Club International for the month May! Keep up the good work! Please remember to get your hours to Lion Christy.
- ❖ From the desk of Lion Chuck Miller

Health Care Equipment:

Many of our members issue and receive the health care equipment that we have for loan to people in need. That is good, but we asking that you sign -out the item and sign it in when it is returned. The forms are on the shelf in a manila folder just inside the door of the equipment building. Please remind the person to return the item when no longer needed. We have purchased many wheel chairs in the past. Many are never returned and some are returned without the leg and foot rests. We are getting more requests for extra large wheel chairs. We now have three and two of them are loaned out-to whom we don't know. Please note Extra-large or light weight on the sign out sheet. Steve Swam and Cloyd Leedy recently straightened-up the equipment and you can readily get to it. Let's try to keep it that way. If anyone needs help with the equipment, call Steve, Andy or myself.

Thanks, Chuck Miller

Just for Laughs

Maryland Crazy Law

- Thistles may not grow in one's yard.

Baltimore

- No person who is a "tramp" or "vagrant" shall loiter in any park at any time. They define tramp as a person who roves for begging purposes and a vagrant as an idle person who is able-bodied living without labor. It's a \$50 fine. I guess the tramp would have to beg for the money to pay the fine. -Park Rule 6
- **It's illegal to take a lion to the movies.**
- It's illegal to throw bales of hay from a second-story window within the city limits.
- It is a violation of city code to sell chicks or ducklings to a minor within 1 week of the Easter holiday.
- It is a park rule violation to be in a public park with a sleeveless shirt. \$10 fine. This would include joggers that go shirtless. (1898)

Baltimore City

- You may not curse inside the city limits.
- Though you may spit on a city roadway, spitting on city sidewalks is prohibited.

Columbia

- Though clotheslines are banned, clothes may be draped over a fence.
- You cannot have an antenna exposed outside of your house yet you can have a 25' satellite dish.

Ocean City

- Eating while swimming in the ocean is prohibited.
- A law from the early 1900's prohibits men from going topless on the Boardwalk. (Repealed)
