President's Message

Dear Fellow Lions,

I hope everyone has made it through the holidays healthy and happy. I and my family had a wonderful Christmas. Santa took great care of my family and I and I hope he was good to everyone else.

If anyone has an opportunity to go by the pool, take a look at the new lead glass windows that were installed on the office. It would be nice if all the windows in the building looked as nice as this. It is amazing what a little change can make to an old building.

So let's all settle in for hopefully a "short winter" and I look forward to seeing you all at the meetings to discuss future Lion events and projects for our community.

*God Bless and Happy New Year
Lion William Craig Bowers*

January Poem

"The shortest day has passed, and whatever nastiness of weather we may look forward to in January and February, at least we notice that the days are getting longer. Minute by minute they lengthen out. It takes some weeks before we become aware of the change. It is imperceptible even as the growth of a child, as you watch it day by day, until the moment comes when with a start of delighted surprise we realize that we can stay out of doors in a twilight lasting for another quarter of a precious hour."

- Vita Sackville-West
