

THE LIONS ROAR

Lineboro-Manchester Lions Club

December, 2016

P.O. Box 27, Manchester, MD 21102

**Volume 1 , Issue 5
3347 Victory Street**

Presidents Message,

On Saturday, November 19, three members of the Lineboro/Manchester Lions club attended the LVRF Lions Pride Luncheon at the Turner Auditorium on the Johns Hopkins Medical Campus in Baltimore Maryland. The Luncheon was to celebrate the 25 th anniversary of the forming of the partnership of the Lions of Multiple District 22 and the Wilmer Eye Institute, to support research on low vision. Today, the foundation is a world leader in low vision research. This was an annual rally that was attended by many clubs in the Multiple 22 District that includes Delaware, Maryland, and the District of Columbia. In addition to the luncheon, a program presented by the professional staff of the Wilmer Eye Institute, detailed the projects, programs and future plans to develop new and improved methods and devices to treat low vision. An update on the program LOVERNET,,was also presented. This is a program that was developed to assist professionals in the diagnosis and treatment of patients with low vision, using Lions club members trained to assist each patient and the professional. Donations were presented at the program by each attending club, that totaled more than \$30,000.00. The Lineboro/Manchester donation of \$350.00 was presented by President Vince DePalmer, in behalf of all 39 members of the club.

Lion Vince

**Dues are now over due for our Lions Year. Please send your payment to
Secretary Steve or Treasurer Andy ASP..**

From DG Brian:

As National Diabetes Month draws to a close, Johns Hopkins Medicine has launched a web-based Patient Guide that is a comprehensive, evidence-based, expert-reviewed resource that diabetes patients and their caregivers can turn to for information on more than 50 broad topics, ranging from living a healthy life with diabetes to treatments and complications. Please use this link to visit the webpage: <http://hopkinsdiabetesinfo.org/>

FEED the HUNGRY :

This project continues as people in our community continue to need the Lions Club's help.

You can help by bringing 12 canned good or other food items to any meeting. We are also collecting good used or new coats for our " Make a Difference Program ".
