

THE LIONS ROAR

Lineboro-Manchester Lions Club

Volume 1 , Issue 8
3347 Victory Street

April 1, 2017
P.O. Box 27, Manchester, MD 21102

Lions,

March was an eventful month for Lineboro/Manchester. Important decisions were made by the Pool committee and the repair and upgrade of the pool have started. Employees are being contacted and interviews are scheduled. registration forms to past pool members have been mailed. So much has been done, all without guidance...just long discussions, decisions and dedicated follow thru by Lion members...

It is also a delight to see a new board ready to carry the torch. A big thank-you to Craig and his decision to take on as president..Yes, Craig, it will be smoother. Please plan a crab feast. Perhaps, before a photo is made of the new board, we could take a moment to dedicate a group photo of the the latest board..

Lion Vince

Welcome new Lion Wendy Garey. Lion Wendy is the wife of Lion Guy Garey. She can be reached by e-mail at looseenz6@gmail.com Lion Wendy is a member of the pool committee.

March was a busy month. Lion Guy and the MAMA did a great job on Manchester Valley's first business expo. Lion Roger and his family served pit beef ,pit ham & pulled pork as a fund raiser for the club. Thanks to all that helper. At our Wednesday meeting on March 29th, members planted two Wye Oak trees . One at Christmas Tree Park and one at our Lions Park entrance.

Thanks go to all workers, Lions & Swim Team members who helped take the cover off the lap pool and worked on things needed to get the pool ready for opening.

On Friday, March 31, our Lions served 259 children refreshments at the Battle of the Books held at MVHS. Once again the active Lions came and helped.
