**Presidents Message,**

The month of September brought about a significant, sad event in the history of our club when, lion Charles Ivan Miller, my sponsor, and a life member of our club, died. He was a active member since 1971. The Lions, the town of Manchester, Carroll County, and significant family of miller, lost a true figurehead that will be forever missed.

Several other events that were significant to our club also need to be noted. On September 4 we celebrated our annual pool party for members and on the following day, 17 Lions and other supporters, attended the 2016 Renaissance Festival to fulfill a contract to serve as bartenders at the festival. The event chaired by Lion Steve , was our biggest fund raiser to date, and provided a perfect task for all the members to bond in mutual physical exhaustion.

To fulfill the club goal of participating in other community sponsored events, we again jointed with the Manchester Area Merchants Association, to assist in their 3th annual Car Show at Manchester Valley High School. Members presented a significant Lions presence with new aprons,balloons.coffee,donuts and our very first pit beef and ham stand, thanks to the effort of Lions Roger and Ella and brother Brian.

Of course, the visit of our new District Governor, Brian Cox and Cabinet Secretary Susan Cox and Zone Chair Richard Crunkilton, was a significant event that raised the awareness of all Lions Members to our duties, and responsibilities in the coming session. District Governor Brian also installed our newest member, Barbara Forrester. Welcome, Lion Barbara.

Looking forward to a positive team building month of October.

Lion Vince

**Dues are now over due for our Lions Year. If you are having a hardship, Please let Secretary Steve or Treasurer Andy know. They can help you work out a plan.**
