President’s Message

Special thanks to those who continue to help with our club activities. We have had successful fundraisers this year and we can now add the Bull/Oyster feed and milk/cookies to the list. Thanks again to all that helped. We have plenty of activities planned for the remainder of the year. Hopefully team captains are collecting points for their team. It looks like the red team is still in first with the blue and white team trailing but they are tied for second place. If you are not sure what team you are on just ask.
