

THE LIONS ROAR
Lineboro-Manchester Lions Club

Lions,

We have just finished one of our busiest months. Many committee meetings for the pool and fund raisers. It appears the decision to award the project to repair our pool has been made. I have been informed by the old members that this is the first time such a project has ever been done by our club, and all of the committee members have been cooperating to make this work.

A big Lion roar to all of them, and a bigger one to Mickie and her planers for a well organized spaghetti dinner that was a big success with again, a larger response of patrons than before.

A big award to our super Lion, Steve. He is always busy, giving his talent and time, to not only as our secretary, but serves in the American Legion, the Special Olympics and at our local elementary school. The Life Award is well deserved, and about time.

Lion Vince

Dues are now 7 months in arrears. If you are behind and need help paying your dues, let

Secretary Steve or Treasurer Andy know. If not, mail your check to our Secretary or Treasurer .

Lion Mickie and all her helpers did a great job on our Spaghetti Dinner. March will be a busy time again with our Lions at the business expo on March 11th. Lions will be selling Shopping Spree tickets for Millers Market, early sign up for the pool, Flapjack Breakfast tickets, and selling pit beef sandwiches.

Many hands are needed, please put this Saturday on your calendar to help your club.

Visitations: There are several clubs open for you to make a visitation too. See visitation Chair Andy for list of clubs and meeting times.

The nominating committee is working on officers for the coming year. Let President Vince know if you have a special position in mind .

Save the Date: A membership training session will be held on Saturday, April 1, 2017 at The Terra Rubra Lions Club, 6300 Middleburg Road, Keymar, MD 21757, at 10:00 a.m., all training materials and lunch will be provided. At this session we will review and expand upon the information that was gained at our October training session, write or refine membership plans for all attendees, and discuss member satisfaction through the Club Quality Initiative. If you attended the fall session, please consider attending to share your club's membership and retention success and/or encourage another of your club's membership committee to attend. All attendees will be entered in two drawings for membership table prizes. Please respond to CS Susan Cox at shcox@comcast.net by Monday, March 27, 2017 if you will be attending.

Did you know that every Lions club member serves an average of 70 people per year? That's why inviting your family and friends to join us in service is one of the most powerful ways we can serve more people and address unmet needs at home and around the world.

See Lion Andy for Shopping Spree tickets for \$ 300.00 prize to Millers Market.

See Lion Roger or Lion Ella for Flapjack Breakfast Fund Raiser tickets.
