President's Message

Fellow Lions

I'm sure everyone is enjoying, as I am, this beautiful weather. Mother nature owes us...

I recently sent e-mails to specific members of our club, requesting their help, or not, with the coming spaghetti dinner. A previous request was sent by one of the chair people and only one response was returned....a class in common email courtesy is needed. Although voice and face-to-face contact is exceptional, we cannot operate without email contact, and all that is required is a reply. There were many reasons that the spaghetti dinner was cancelled, and we are learning many factors for each event in the future, but email courtesy affects them all.

Many thanks to all that braved the heavy mist and fog on Saturday morning to help make our first flapjack "fun" raiser a success for the club. The profits were not great, but better than hoped, but it was a great way to help and serve as a group. Many thanks to the chairpersons, Roger and Ella...there were no problems and everyone agreed to do it again.

Please put your energy and effort into our next function, the vintage basket bingo on May 27. Chair person Pat still needs help in contacting each business to fill baskets and donations for door prizes....call her to plan a day to help, 410-627-8773 if she contacts you by email, please remember email courtesy.

Be Professional
