3347 Victory Street

November, 2016
P.O. Box 27, Manchester, MD 21102

Presidents Message,

October was a very busy month with many scheduled activities to address, as well as some **significant unscheduled events that came about during the month.**

The schedule began with an event at the president's home. It was intended to introduce Lion members and friends to programs that are sponsored by Lions International and featured Jim Hindman and his book, "I was blind and now I see"; and a very informative presentation by Len Gares about the Lions leaderdog program. The event, because of the presentation from Lion Hindman and his emphasis on Lovernet, did have two volunteers agree to join as Lovernet members.

Of course, one important scheduled event was Charter Night, held together with the Hampstead Lions club. It was attended by many members from both clubs. The fund raiser spaghetti dinner was another event that occupied the time and energy of many club members and provided a good profit for our scholarship fund.

One of the unscheduled events was filling the board member position vacated by the passing of Lion Charles Miller. New member Barbara Forrester was nominated and she accepted .

Of course, the most important unscheduled event was the resignation of Joe and Fran Bach as members and chairman of the pool committee. They have been the backbone, for many years, of our community pool. Their dedication of hundreds of hours by them and their family, helped **make the pool become a critical asset to Manchester and surrounding areas.**

All members of the Lineboro/Manchester Lions owe them a huge Lion thank you and recognition of the service they provided. We must work to continue their efforts.

Lion Vince

Dues are now over due for our Lions Year. Please send your payment to Secretary Steve or Treasurer Andy ASP..

President Vince's Enlightenment Cookout at his home was a success and received many positive comments.

Birthday Calendars have been sent to press and should be ready by the 1st of December. Thanks to all Lions that helped secure the ads.

The pool covers have been installed with the help of members of the Sea Lions .

Our first jointed Charter Night with the Hampstead Lions Club was a huge success. Thanks to First Vice President Denny Sew for all his help. 15 Lions Clubs attended. Lion Ron Judy & PDG Andy DeMario, Sr were recognized for 45 years attendance in Lionism.

Our 2nd annual Spaghetti Dinner was held at MVHS on October 21st. Lion Mickie and her committee did us proud once again. Lion Mickie will have a report at the BOD meeting on Wednesday night. Can goods & coats were collected for our "Make a Difference Day" project. Please keep bringing them to our meetings.

Our newest member [Barbara Foster] has been elected 3th Vice President. Congratulation !!

Health of Members

Lion Mickie is still recovering from ankle problems.
