President's Message

Since we have just about escaped a harsh winter we are gearing up for a productive spring. We have a few events coming up where we will need your help. The Bull Roast is just around the corner, we will need volunteers to work and just as important we need you to sell tickets. Plans for White Cane Days are in the works as well as the pool opening, the Memorial Day walk for Catherine Mullikin and a few other events.

Many thanks to those who have passed along their ideas for club activities and the club in general, without you the club does not exist. For those of you who are interested in various committees, I thank you for your eagerness to help.

Sincerely,
Lion Joe

St. Patrick's Day Facts

- ❖ **St. Patrick's Day is observed on March 17** because that is the feast day of St. Patrick, the patron saint of Ireland. It is believed that he died on March 17 in the year 461 AD. It is also a worldwide celebration of Irish culture and history. St. Patrick's Day is a national holiday in Ireland and a provincial holiday in the Canadian province of Newfoundland and Labrador.
- ❖ **In Ireland on St. Patrick's Day**, people traditionally wear a small bunch of shamrocks on their jackets or caps. Children wear orange, white and green badges, and women and girls wear green ribbons in their hair.
- ❖ **Many cities have a St. Patrick's Day parade.** Dublin, the capital of Ireland, has a huge St. Patrick's Day festival from March 15-19 that features a parade, family carnivals, treasure hunt, dance, theatre and more. In North American, parades are often held on the Sunday before March 17. Some paint the yellow street lines green for the day! In Chicago, the Chicago River is dyed green with a special dye that only lasts a few hours. There has been a St. Patrick's Day parade in Boston, Massachusetts since 1737. Montreal is home to Canada's longest running St. Patrick's Day parade, which began in 1824.
