Presidents Message :

Fellow Lions of Lineboro/Manchester Lions Club

It was disheartening to lose Joe and Fran Bach from our group. They have been an important part of our club for many years, and they will be missed..

We still have several members delinquent on dues.. I have asked secretary Steve to forward letters to each, requesting payment. We have many members who have met their responsibilities, and it is not fair to them that several, because of lack of funds, disorganization, or simply procrastination, are still putting off payment. Please make this a priority ..

It is also important that we recognize the members of the pool committee and the fund raising committee.. Both have put in extra hours to prepare our pool for the critical repairs to be completed and the fund raising committee to make decisions on the basket bingo and other coming events , including a new Elvis event...Chairs Mikee, Roger, Ella and Andy are on top of each event...good job
